SCHOOL NEWS

A number of teachers from Union No. 22 attended a reading conference at the Norway elementary school Wednesday afternoon. The conference was sponsored by Science Research Associates of Chicago to demonstrate the use of SRA's Reading Laboratory in the classroom. The reading laboratory which is available for selected grades consists of selected readings and tests to be used by individual pupils. Independent use of the reading material by pupils allows them to improve both rate and comprehension. A motivating factor, according to SRA, is that pupils can begin at their present reading level and move ahead at their own rate while testing themselves. The laboratory material includes a chart on which the pupil notes his test scores as a record of his progress.

The introduction of SRA's Reading Laboratory in at least one class in Bethel next fall is being considered. The laboratory, of course, would not replace the present reading program in any class but would serve as a supplement.

The Locke Mills School Building Committee will meet at the City School Monday, Nov. 21 at 7:30 p. m. to hear sub-committee reports on alternative plans for Greenwood's school buildings. At the present time, the City School does not meet state safety requirements.

The Maine Highway Safety Committee reminds parents that it is a good idea to have those bikes put away before dark. However, if your youngster must ride after dark, be sure his bike is equipped with a good, strong headlight and with a large, clean reflector on the rear.

The Citizen will be published Wednesday afternoon next week. All copy for news and advertising must in the office a day earlier than usual.

Bethel PTA Program For Year Announced --P. F. Crane to Speak

The Bethel P. T. A. met Nov. 15 at the Crescent Park School with 45 attending. The business meeting was opened at 8 o'clock by President Lincoln Fiske. The treasurer reported \$210.94 on hand. It was reported that Henry Robertson, chairman of the skating rink, wanted nine volunteers to help keep the rink in condition this winter.

The PTA wishes to thank Mr. and Mrs. Dick Carter for the excellent way that the Halloween Party handled, and also wishes to thank Mrs. Gardner Smith for taking the chairmanship of the Mother's Helpers at the Primary School lunch program.

It was reported that the Bethel Health Council was in need of winter clothing of all sizes.

A vote of approval for changing the PTA starting time to 8 o'clock was made. A question box will be installed at the next PTA meeting, questions to be discussed followed the business meeting if question is in line with the PTA constitution.

Mr. Heino brought up for discussion the possibility of dropping the Street Patrols. He explained the duties of the Patrol and the feeling was that the Patrols were very worthwhile. It was voted that the PTA go on record as wanting and feeling the need of a sidewalk on Mason Street.

Mr. Fiske announced the program for the rest of the year as follows:

December 20, "Education Beyond High School." Guest speaker, Percy F. Crane, former senior master at Gould Academy and now affiliated with the University of Maine.

January 17, "American Education vs. European Education."

April 18, Why Patriotism.

May 16, Scenic and Historic Maine.

The attendance banner was won by the first grade. The business meeting adjourned and the guest speaker, Arnold McKenney, was introduced. Mr. McKenney spoke on, "For those who do not go to college." He had many extremely interesting views on this subject, stating that there were a great many opportunities in New England for a child to go to Trade School, Vocational Schools and also to do Apprenticeships. Following his enthusiastic report a question and answer period was held. Then the meeting adjourned to be served refreshments of cake and coffee by the 8th grade mothers.

The next meeting of the PTA will be Dec. 20 at CFS at 8 p. m. The subject matter will be "Education Beyond High School." Guest speaker will be Percy Crane. The membership committee reported that there are 307 active members of the PTA. Hope to see them all Dec. 20.

HENRI LEBRECQUE FINED AFTER BETHEL CRASHES
Henri Lebreque of Granby, Que., was in Rumford municipal court Tuesday charged with driving while under the influence of intoxicating liquor and leaving the scene of an accident. He was ordered to pay a fine of \$125 on the first charge and a fine of \$25 on the other charge was suspended.

Lebreque was arrested by Trooper William Bickford after he reportedly figured in a series of accidents in Bethel early Monday evening. Coming from the overhead bridge he struck the gas pump island at Tom Yates' service station at Church and Railroad Streets, knocking over a rack of oil cans and breaking several cans. On Main Street he crashed the parked car of William Robertson and continued to Church Street where he went over a curbing and blew two tires.

Read Luke 16:13-17

He that is not with me is against me; and he that gathereth not with me scattereth. (Luke 11:23.)

On the Lord's day, I asked "Friend, are you for God or against Him?" He answered, "I am a church member; I am for God." Then the Holy Spirit seemed to whisper: "But what about your inner life and those respectable sins you are cherishing in your heart?"

To another I asked, "Are you for God or against Him?" He answered, "I am a leader in the church." The Spirit seemed to ask: "But what about your ambitions, your unforgetting heart, and your domineering spirit in the church?"

The same evening the question was asked to a group of respectable church people. In unison they said they were for

God. But an unexpected answer was whispered from above: "Are you sure? Are you not divided among yourselves? Are you at peace with God and with one another?"

In my distress I asked the Lord to show me His people. Surprised, I noticed that the despised and rejected by men were considered great before God. Then humbly I asked the Lord to make me worthy to be counted with the despised.

PRAYER: "Search me, O God, and know my heart; try me, and know my thoughts; and see if there be any wicked way in me, and lead me in the way everlasting." In the name of Jesus, Amen.

LETTER TO THE EDITOR
To the Editor:

On Nov. 20, the Methodist Youth Fellowship is putting on a "chicken pie dinner at the Methodist Church at 12:15 noon. All the money we make from this is going toward an amplifier and turn-table for use in maintaining the dances that we put on for the 4th, 5th, 6th, 7th, and 8th grade children. We feel that this is a much needed public service for them. We don't make money enough from these dances to buy this equipment. We desperately need this, as we are now using individuals' private "Hi-Fi's" and they won't stand the continuous service.

So, if you want a good dinner plus something to benefit a lot of children, this is your chance. We have never asked for any help in maintaining these dances, and many times my teen-agers have given up some of their activities to chaperone them. We operate these dances every Friday night for nine months out of the year and it must be obvious that at an admission charge of 10c we are not doing it to "lay up" money. I'm proud of "my kids" and I think they deserve a chance to have the equipment they need.

I would also like to say that every penny we make at these dances, or any other way, goes back into various projects for children. Not one cent goes to adult chaperones or any individual other than the ones we send to camp in the summer.

We would like to have anyone not familiar with these youth groups investigate and see what they are doing, and if you like it tell them and have your own boy or girl join one of them. We believe in "kids" — what

their religious preference is, is of little importance to us as we work with all children.

Let us know if you like what we are doing at these dances, or what you don't like. These "kids" are yours and we want to do what you wish. If you have any suggestions, tell any teen-age member of the M. Y. F., or call me. We want your interest.

Also, we are quite aware of the responsibility we have, and we exercise all reasonable care, but with the amount of children we handle in a year, we are bound to get bumped heads, floor burns, torn clothing and various amounts of wear and tear. It can't be helped, and we hope every parent is aware of this and will be tolerant. We do the best we can, and always have sufficient chaperones.

I'd like to say at this time, that we appreciate the fact that the people who live around the community rooms have never kicked on the noise. These children are noisy, we know this; but if we keep them quiet, they won't have fun. It's their nature, and in my opinion a good place to get rid of excess energy.

We would like to thank Brown's Variety Store for furnishing candy at wholesale, and Bucky's Service Station for drinks at wholesale. It's quite a bother for them, but they have been more than willing.

I might add that you don't have to be a Methodist to come to this dinner—everyone and anyone is welcome. Contact me or any M. Y. F. member for tickets or buy them at the Church anytime after 12:00 Sunday. Don't you think this is for a good cause?

CENSUS REPORT GIVES COUNTY SLIGHT GAIN

The advance reports of the final population counts released recently by the Bureau of the Census show an increase of 124 for Oxford County since the 1950 report of 44,221. The figures for the State show 989,265, a gain of 55,491 or 6.1 per cent over the 913,774 10 years ago.

The County totals as reported show 17 towns with less than the 1950 total. The town of Stoneham is obviously incorrectly reported with a population of 18, as it should be near the 1950 figure of 215. In the tabulation below * indicates a decrease since 1950. The Paris figure is less but including the new town of West Paris the area shows an increase of 293.

CHRISTMAS SEALS HAVE BEEN MAILED

Making their annual visit to homes throughout the County this week are the Christmas Seals of the Maine Tuberculosis and Health Association. The 1960 campaign to support the work of the voluntary health agency got underway on Nov. 14.

"Over eight million lives have been saved since the first Christmas seal was sold, but the saving of lives is not enough," declared Dr. C. Harold Jameson, Camden, association president. "We must see to it that every family is spared the suffering and tragedy of long-term, chronic TB or other respiratory illness."

"Proceeds from this year's Christmas Seal Campaign must do more than maintain our present TB control activities. Efforts must be expanded to find all the unknown cases of tuberculosis still in the state. We must increase our efforts to help ex-TB patients get back on their feet and stay there. We must extend our educational program so that people of all ages learn how to protect themselves from TB."

"More money must be put into medical research to find bet-

The girls' hockey peg games were played off in four games between the juniors and seniors. The first game was won by the seniors, 3-2. In the next game, Beth Brown scored three goals, giving the victory to the juniors with a score of 3-1. The third game ended in a tie, 3-3. This made the fourth game the most important and exciting of all and both teams were eager to win. By an excellent show of teamwork and sportsmanship, the seniors finally won, 3-2, giving them the hard-earned hockey peg.

The Blue and Gold hockey game was played last Wednesday, made up of twenty-two of the best players from all four classes. It was an enthusiastic
